Restore all things in Christ!

February 20, 2018

Dear Friend of St. Pius X Parish School,

As you already know, Mr. Dan Flaherty, Principal of St. Pius X Parish School for the past twelve years, has decided to explore other career opportunities during the coming school year. I wish Dan well in all future endeavors and thank him for his passion for Catholic education and for his selfless service to our Parish Community.

To ensure a seamless leadership transition, the Diocese of Joliet Catholic Schools Office and I will work closely with the St. Pius Parish School Principal Search Committee to find an excellent candidate who will serve as the next distinguished leader of our school.

One critical aspect of the principal search involves eliciting the ideas of faculty and staff members, parents, and parishioners regarding leadership qualities that are necessary to address the present and future needs of St. Pius X Parish School. To accomplish this task, the Catholic Schools Office has designed an online community survey instrument. The results of this survey will be carefully studied by the Search Committee and will be used both to create a *Principal Profile* and to design first and second-round interview protocols.

You are an important member of our school and parish family. I encourage you to share your thoughts with us regarding desired principal attributes by responding to this survey that may be directly accessed by clicking on the link below.

Completing this instrument will require seven-ten minutes of your time. The survey will be posted from February 23, 2018, through midnight on Friday, March 30, 2018. Thank you in advance for your assistance in discerning the next spiritual and instructional leader of St. Pius X Parish School.

Sincerely in the Risen Christ,

Fr. George Zieba, CR
Pastor
